

Your Pencil + The Olympics =

PENCILLYMPICS

This page is filled with events to give your brain a real workout. You'll need a buddy for these exercises. Tally your score from each event. Then have your buddy give the page a try. Who has the higher score? Grab a pencil and let the games begin!

Figure Skating

Close your eyes and trace the figure 8. Score **1 point** for each dot you cross.

Lesson: Reading Comprehension: Follow simple written directions.

Get the Lead Out

There are lots of pencils on this page, but only **one pen**. Find it in under 30 seconds and earn **10 points**. 60+ seconds earns you **5 points**.

Lesson: Visual Discrimination; sorting objects by common attributes.

Airborne Errors

There are 5 differences between these ski jumpers. Score **1 point** for each one you find.

Lesson: Visual Discrimination; sorting objects by common attributes.

Ski Jump

Place your pencil on **START**. Close your eyes. Draw 10 dots, trying to put one in the circle over each of the 10 trees. Score **1 point** for each circle that contains one and only one dot.
