## Barrie Colts Visit Goodfellow Public School in Innisfil It's a win-win for everyone!

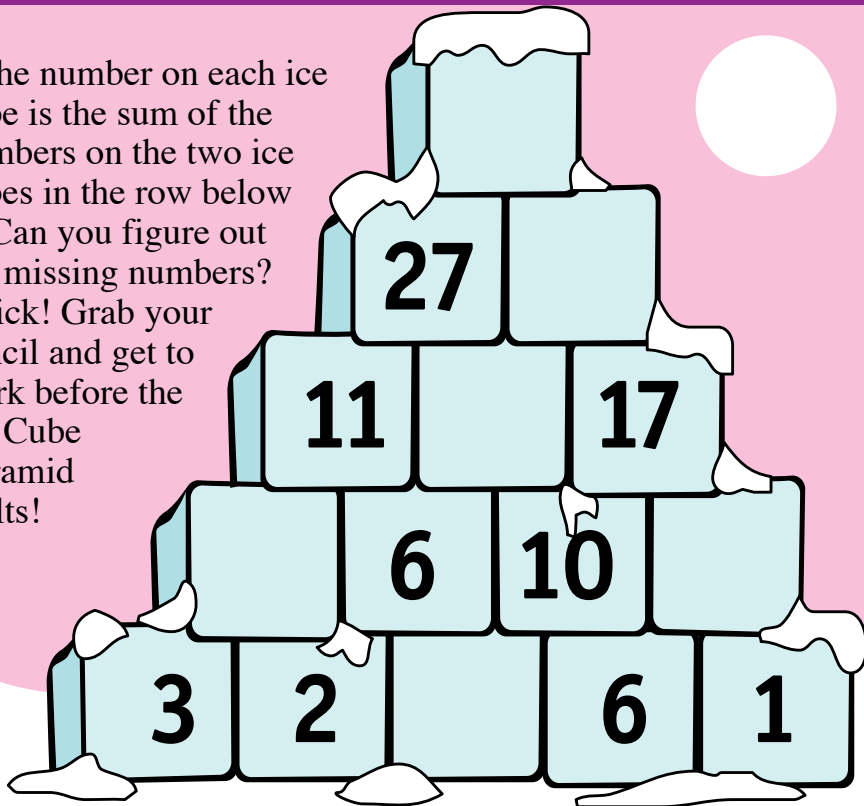

Photo by Devon Beauvais-Holt

(Not in order) Dalton Prowt - #5, Matt Stanisz - #16, Alex Hutchings - #10, Kyle Clifford - #13 and Nick Crawford - #14 of the Colts joined by the Goodfellow Student Leaders, Nikki, Caitlin, Olivia and Banyan

## Polar Puzzler

The number on each ice cube is the sum of the numbers on the two ice cubes in the row below it. Can you figure out the missing numbers? Quick! Grab your pencil and get to work before the Ice Cube Pyramid melts!

Lesson: Algebra: Solve problems using numeric equations

This past January, members of the Barrie Colts hockey team paid a visit to Goodfellow Public School as part of the Adopt A School program. This program is a fundraising program for schools wherein they can sell tickets at a discounted rate to their students, parents and faculty for a special game night that is the 'school's night'.

A portion of the proceeds raised from ticket sales are donated back to the school.

More than just a fundraiser though, the students get an opportunity to meet with the players and hear in the player's words, the importance of participating in sports and school activities.

Goodfellow's spirit committee was prepared with several questions for the players like; 'How do the players balance school work with the demands of their sport' and 'Our school works hard to ensure that our students know about what good nutrition is all about. How do the players ensure they are eating the correct foods to fuel their bodies?'

Goodfellow's game night was held on January 9th and the Goodfellow Junior Choir sang our national anthem to start the evening off. The Colts went on to beat the Mississauga Majors in overtime 3-2!

For more information about the Adopt A School Program visit: [www.barriecolts.com](http://www.barriecolts.com)
